

'I SWEAR TO DOG'

from 'do you swear to god? i swear to dog.' written with a marker over an inflated balloon; balloon is then deflated and stretched.

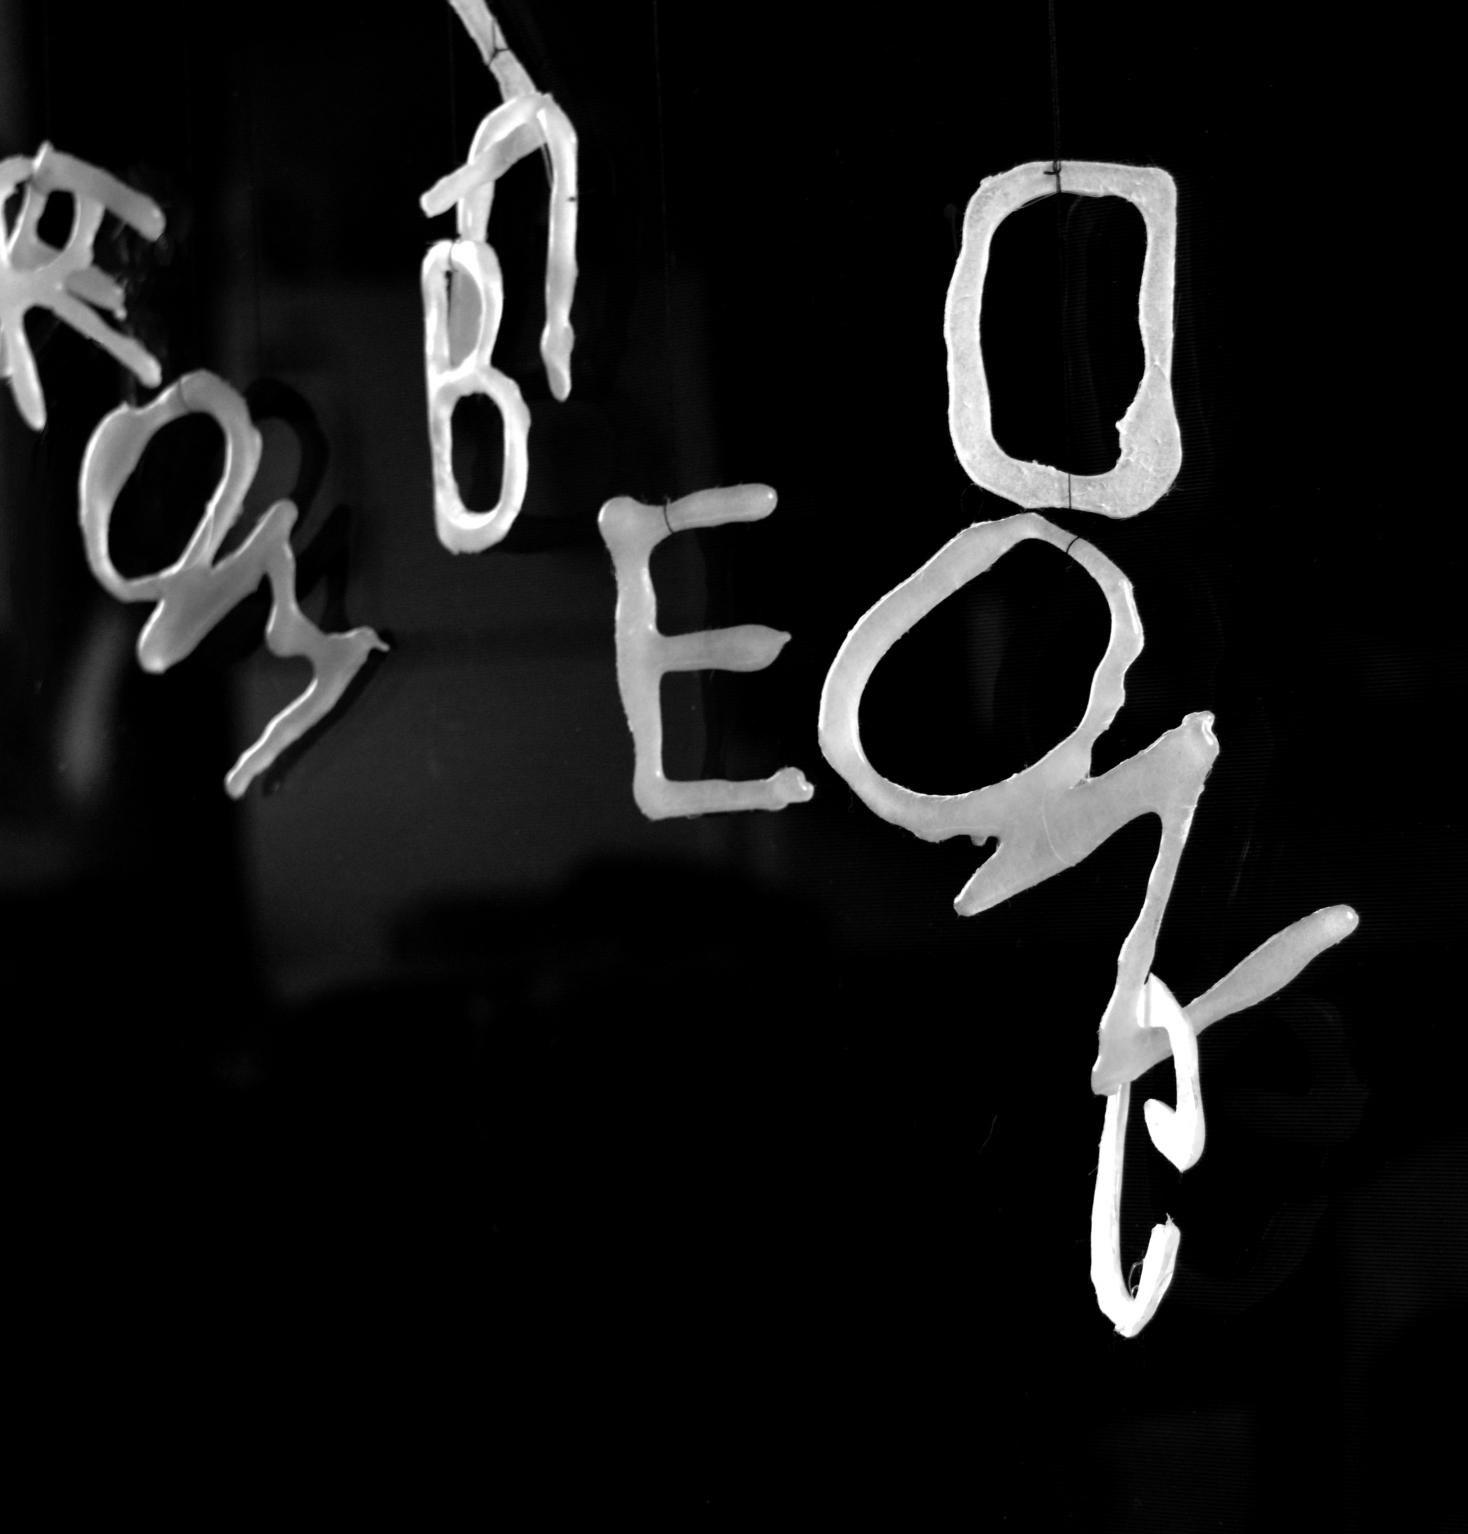

spirituality is just like that.

'>:3c INTENSIFIES'

a tribute to my furry friends.

the text is processed through pix2pix cat generator for a change in volume; new image is printed and use as a template for glue pattern on glass. one (1) plastic bag is then glued on glass accordingly, and a thin layer of water is poured on top. final documentation is inverted.

'FROM BLUE DONG'

i don't know context either.

hot glue (free-handedly) glue-gunned onto white paper, then washed with water and cleaned. hung from black threads in front of a TV.

if you can read this it's too late

i'm "cleaning" my roommate's printer with my academic transcript.

xoxoxo

'HÔLY SHIT'

if you are not viet you probably can't read this. it says holy shit.

electric tape on my blinds at 12:32 am.

'húp trọn' in cursive

would like to think of it as viet translation for 'vore'.
tribute to my vorey friends.

2-layer hot glue (free-handedly) glue-gunned onto
heavy white paper, then tore off and glued onto a
black scarf.
